

Course: BCSNT 6063 – Object Oriented Programming (2nd Semester)

Faculty: Sanju Shrestha

Assignment Type: Practical / Tutorial

Submission: Certificate + Screenshots + Program Files

Deadline: 16th May 2026 (Saturday) before 11:59 PM

1. Software Installation

A. Install the Latest JDK

1. Download the latest **Java Development Kit (JDK)** from Oracle.
 - Oracle JDK: <https://www.oracle.com/java/technologies/downloads/>

Install it on your **own laptop** or **college computer lab**.

Verify installation by running in Command Prompt/Terminal:

```
java --version  
javac --version
```

Install IntelliJ IDEA (Community Edition)

1. Download IntelliJ IDEA **Community Edition** (**Note: Not Ultimate Edition**):
<https://www.jetbrains.com/idea/download/?section=windows>
1. Install it and configure the JDK inside IntelliJ.

Submission Requirement

Screenshot 1: `java --version`

Screenshot 2: IntelliJ open with your project.

2. Basic Java Programming Tasks

Write and run the following programs in IntelliJ:

A. Hello World Program

- Create a class `Main`.
- Print: `Hello, Java World!`

B. Variables & Data Types

Write a program demonstrating:

- int, double, boolean, char, String
- Print their values.

C. Operators Program

Write a Java program showing:

- Arithmetic operators (+, -, *, /, %)
- Relational operators (>, <, ==, !=)
- Logical operators (&&, ||, !)

D. User Input Program (Bonus for extra marks)

Use **Scanner** to take two numbers and print their sum.

Submission Requirement

Upload **all .java files** in your GitHub repository.

Screenshot 3: Output of each program in the IntelliJ console.

3. Git & GitHub Training

A. Create GitHub Account

If not already created, sign up at <https://github.com/>

B. Enroll in Git/GitHub Course

Complete the Git and GitHub course from the link provided:

<https://www.simplilearn.com/learn-git-basics-skillup>

C. Course Completion Certificate

The course provides a digital certificate after completion.

Submission Requirement

Submit your Git and GitHub Skills Certificate (PDF or screenshot)

This certificate is the proof of completion.
